Subject: ROAD Request
Date: Wednesday, October 27, 2021 2:46:55 PM

Hello Kayla,

I have received a request that your client be assessed by ROAD to a Better Life for MAT. ROAD to a Better Life only follows their current, established patients here at SCDOC. We would be happy to help him establish care with ROAD to a Better Life or another MAT program of his choice after release. Does he have a release date?

Thank you,

Melissa
